

Step-By-Step Guide to Clearing Cache (Safari)

1. Select “**Preferences**” from the toolbar:

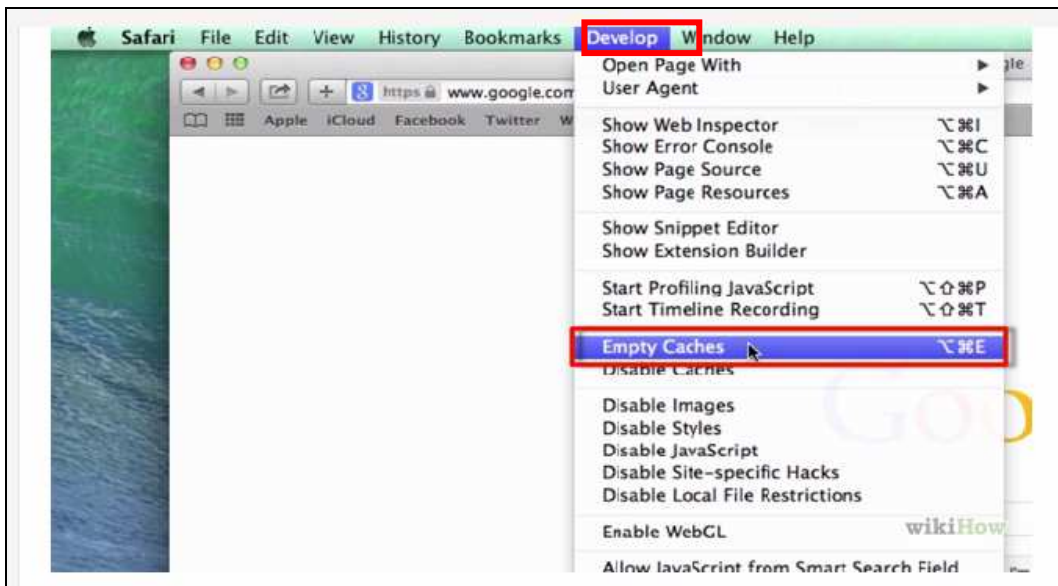

2. Click on “**Advanced**” and **checked** “**Show Develop menu in menu bar**”.

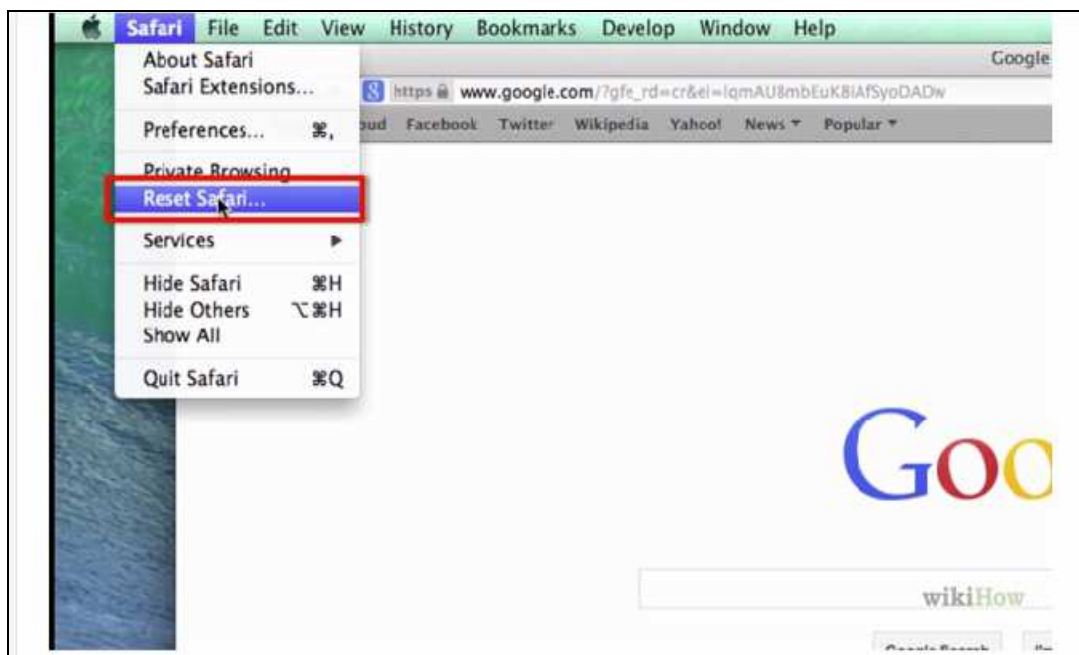

3. Click on the **Red Button** on your top left to exit the dialog box.

4. Click on “**Develop**” tab and select “**Empty Caches**” from dropdown menu.

5. Click on “**Safari**” tab and select “**Reset Safari**” from dropdown menu **(OPTIONAL)**

6. Click on “Reset”.
